THIS MATTER is before the court on defendant's Motion to Adopt Pretrial Motions Filed by Codefendants. In particular, defendant requests permission to join in the motion of Defendant Hartley (#269) seeking what the court will call "USAM discovery" and his Objections to the magistrate judge's Order denying that motion. While the motion will be allowed, counsel is advised that a motion filed at 5:30 p.m. on a Friday before a Monday morning hearing is not a timely motion. Having considered defendant's motion and reviewed the pleadings, the court enters the following Order.

ORDER

IT IS, THEREFORE, ORDERED that defendant's Motion to Adopt Pretrial Motions Filed by Codefendants (#439) is GRANTED, defendant is allowed to join in the motion and the Objections, and counsel is allowed to participate in oral arguments.
